MEMORANDUM FOR: The Honorable William P. Clark, Jr.
Assistant to the President for National Security Affairs

SUBJECT: NSSD-2 Study: Capabilities Against the Hostile Intelligence Threat, 1983-1988

1. It is my pleasure to forward to you the enclosed interagency study, "Capabilities Against the Hostile Intelligence Threat, 1982-1988", which responds to National Security Study Directive No. 2 (NSSD-2), dated 16 February 1982. As previously agreed, the organizational element of NSSD-2 was deferred for study at a later date. I anticipate that this report will be a very useful planning document for program and budget development purposes, and will thereby materially assist in achieving an improved national counterintelligence/countermeasure program.
